

Dance for me

By

Dr Wilson Orhiunu (Babawilly)

Julie dance for me  
Shake like the girls on Channel O  
I enjoyed the food  
and the kids are in bed  
Put on some music  
and do that dance.

Jude my dear  
Have had a rough day  
Took the kids to  
School and back in the rain.  
Then to market for things to cook  
Jude my dear you dance for me

Julie my dear  
It is ladies who dance  
The Ovie in his palace  
demanding entertainment  
The office was tough today  
dance Julie so I can unwind

Jude I suggest a second wife  
She can have the guest room  
I wouldn't mind  
I will stop all this cooking and ironing  
I will go to bed early  
While she does dances for you

Julie my dear

Do not stir my anger  
Where is the money for  
second wife.  
And by the way it is bigamy  
Take of your clothes  
And start gyrating  
If you sweat well  
I will spray you some cash

I am dancing  
Where is my money  
Neighbours come and see  
He promised he will spray me  
And hasn't brought a penny  
I will dance on the street  
Next time you will leave me alone

Julie why disgrace me  
Yellow panties with big big holes  
I wanted a private dance  
And you ran into the street  
Please come inside it is late  
A crowd has started gathering

Oh Jude you feel ashamed  
You should have bought me lingerie  
Remove your shirt and join the dance  
I too watched Channel O  
Let us see those big muscles  
Your Apku belle is hiding
