

Imo Kissing

By

Dr Wilson Orhiunu (Babawilly)

Philomena Ibe  
Will not look away  
When for her Emeka is searching  
She'll quicken her strides  
And soon be beside  
Emeka, and start Imo kissing.

Imo kissing, Imo kissing  
Philomena loves Imo kissing  
The taste of his lips and  
The warmth of his love  
is what Philomena calls

Imo kissing.
